Saturday 23 September

New for 2017! The Pirelli SuperCrit; a showdown of 100+ riders competing across an elite men's race and elite women's race on Saturday 23 September.

The 1.2km circuit has a unique start and finish in Hall 16; and with lots of food and drink for spectators while catching the track action, the SuperCrit is fantastic opportunity to watch exhilarating racing and socialise at the UK's leading cycling show.

Crit spectators will also be treated to Vifit Sport samples and can learn more about nutrition and hydration throughout the course of the show with Inkospor. The show is staying open until 7pm, so you can enjoy the race and soak up the atmosphere!

"With the Pirelli Supercrit being held on the Saturday afternoon early evening it is the perfect opportunity to experience the thrills of high speed Criterium racing from some of the UK's best domestic professional riders they really are the best in the world at this type of bike racing. Stop off, in Hall 16 at the start/finish area, either before or after you've spent time browsing at the country's leading Cycle Show"
