

## Whyte 901

STAND J71

the cycle show  
whyte.bike/901

FROM £1,350.00

You don't need a rear shock to get rad on the toughest trails – you just need a Whyte 900 series hardtail. Already hailed as the Trail Hardtail benchmark, we've amped up the ability through the whole range – so you can charge climbs and rip out of corners better than ever before.

## Whyte T-130 S

STAND J71

the cycle show  
whyte.bike/t130s

FROM £2,750.00

The T-130 redefined the do-anything mountain bike category and has reaped the perfect scores and Bike of the Year Awards to prove it. Impeccably balanced, perfectly composed and outrageously capable, the latest models are busy rewriting all over again what you can expect from a 130 Trail bike.
