

Orange Stage 4 Factory

STAND G41

the cycle show

www.orangebikes.co.uk

FROM £5,600.00

Short travel and big wheeled, this 120/110mm travel 29er can ride way beyond its travel figure. Confidence inspiring, low-slung and featuring the kind of angles more often found on longer travel bikes, this is the 29er that rides beyond the checkboxes with flare.

Orange P7 29 RS

STAND G41

the cycle show

www.orangebikes.co.uk

FROM £3,350.00

Built with Reynolds 525 steel, this P7 29 ups the ante from its smaller wheeled brother. With huge tyre clearance and room for 27.5+ wheels, the hardest decision you're gonna have to make is choosing which colour to have.

Orange Five RS

STAND G41

the cycle show

www.orangebikes.co.uk

FROM £4,700.00

The icon. The legend. The Five. As an all-round trail bike, it is hard to argue against the Five's versatility. Its capable of delivering the goods on your daily commute to spending a week being thrashed in the Alps. Try it, you'll like it.
