

## Bianchi C-Sport 2.5

STAND H101

the cycle show

[www.bianchi.com/uk/home](http://www.bianchi.com/uk/home)

£600.00

The C-Sport 2.5 utilises modern aluminium technology to produce one of the lightest frames in its class. Together with a Shimano drivetrain and hydraulic disc brakes, the C-Sport 2.5 offers a fast, comfortable bicycle for weekend adventures or daily commutes.

## CUBE Hyde Pro

STAND J51

the cycle show

[www.cube.eu](http://www.cube.eu)

FROM £849.00

Don't be deceived by its understated looks: the CUBE Hyde Pro is a true urban lifestyle bike for riders who appreciate style as much as they do function. It's a bike that's capable of taking on any terrain - in fact you could say its true strength lies in its adaptability. The tried and tested 8 speed hub gear with belt drive perfectly fulfils the demands of an urban all-rounder.

## Genesis Skyline

STAND A31

the cycle show

[www.genesisbikes.co.uk](http://www.genesisbikes.co.uk)

FROM £699.99

If you think of hybrids as boring then you haven't met the Skyline. The top end Skyline 30 comes with front and rear dynamo lights to complement the mudguards, a rack and chunky 35c tyres. The Skyline 20W and Skyline 10 (pictured) use the same frame but drop the light and racks. A fun, reliable bike for all-weather urban riding.
