

Bianchi Oltre XR3

STAND H101

the cycle show

www.bianchi.com/uk/home

FROM £2,800.00

The XR3 extends the range of Oltre family, engineered with Countervail technology. The new Oltre XR3 benefits from the same revolutionary frame-design developments proven at the highest level of racing on the acclaimed Oltre XR4. The Oltre XR3 delivers the perfect combination of control and competitive advantage of advanced aerodynamics.

Bianchi Aria

STAND H101

the cycle show

www.bianchi.com/uk/home

FROM £2,250.00

With a design based on aerodynamic data from the acclaimed Aquila TT bike. The Aria represents an extension of aero road bikes within the Bianchi Performance Race category. Aero details like wider spaced fork legs, shaped headtube and lowered seatstays, combine to offer true Bianchi performance at a lower price.

Kinesis UK Aithein Evo

STAND H19

the cycle show

www.kinesisbikes.co.uk

FROM £730.00 (Frameset)

Perfecting the original Aithein model. The EVO delivers even more cornering speed with half-degree slacker head angle and clearance for 28mm tyres. This traditional thoroughbred maintains its 9mm skewered drop outs and calliper brake fittings and returns to a threaded BB. Stunning new paint and graphics will inspire your dream build from the frameset. Ready to race and always fast paced!
