

## Estrella Bikes Ligero

STAND F77

the cycle show

[www. estrella-bikes.com](http://www. estrella-bikes.com)

FROM £2,995.00

The Estrella aero road option has a super responsive and rigid carbon moulded frame using Toray T800. The Ursus integrated handlebar-stem and the aero seatpost both add to the aero advantages of the Ligero. This model is a perfect balance of lightweight responsiveness, power transfer and handling that is second to none.

## Estrella Bikes Liso Disc

STAND F77

the cycle show

[www. estrella-bikes.com](http://www. estrella-bikes.com)

FROM £1,395.00

The Liso Disc has a sturdy down tube and wide chain stays to ensure all power is transmitted to the road, while the flat profile seat stays and the absence of a brake bridge allow comforting flex while in the saddle. The Liso Disc is available in range of build options and colour schemes.
