## GT Grade Carbon Pro

STAND C41

the cycle show

[www.gt bicycles.com](http://www.gt bicycles.com)

RANGE FROM £649.00

Road styling meets mountain attitude in GT's lightweight enduroad package – never before has a high-tech road bike been so capable on low-tech roads. The Grade is ready for everything, from freshly paved switchbacks to the gravel roads and everything in between – the award-winning Grade knows no bounds – see the new GT Grade range on stand C41.
