

## Vitus ZX1 Team Aero (Dura-Ace - 2018)

STAND H131

the cycle show

[www.vitusbikes.com](http://www.vitusbikes.com)

£3,999.99

Aero inspired, for maximum speed and efficiency. In 1991 Vitus launched the original ZX1 model. It was a pioneering bike for Vitus, bringing the first one-piece carbon monocoque frame to market. The all new ZX1 utilises Kamm Tail tube profiles, to enhance aerodynamics without sacrificing comfort, whilst maintaining stiffness and cross wind stability.

## Vitus Venon CRX Ultegra

STAND H131

the cycle show

[www.vitusbikes.com](http://www.vitusbikes.com)

£2,099.00

Built to combine all day comfort without sacrificing a turn of speed. Featuring a shorter and more upright position compared to a traditional race bike, the carbon Venon is designed to increase your comfort and reduce fatigue, resulting in a smooth and efficient ride whatever the distance or conditions.
