**Cannondale Quick 20**  
STAND C41

the cycle show  
[www.cannondale.com](http://www.cannondale.com)

FROM £349.00

Cannondale's all-new line of kid's bikes is dedicated to creating amazing first rides – and second, third, and seven hundredth rides as well. A lifelong love of riding starts here – and the new lighter Quick 20 is the perfect example. Fast rolling tyres, wide range gearing and confident, stable handling make this one seriously high-performance street machine. Size one up on stand C41.
