FROM £1,700.00

Adventuring your local commute or heading to the ends of the planet, Tripster AT handles it. It's all-day geometry is taken from the titanium Tripster ATR, but engineered into an affordable alloy / carbon frameset. With tyre clearance for 700x45c or 650bx47c, this machine will truly go #BeyondGravel. Tripster AT is graphically detailed by the late Mike Hall who championed adventure for all by bike.
